My First Letter

My name is Antony Daniel Salazar Hernandez, and everyone call me "Toni". I am 8 years old, and I like playing football. I live in Dueñas with my parents. I am in the 2nd grade at school, and my favorite subject is Reading. I like school because I have many friends. I was very happy to hear that I have Padrinos because it means that God heard my prayers. You are a blessing for my family and me.

Thank you very much for choosing me as your sponsored child and for accepting God's appeal to help me through Living Water. I like to attend the feeding program because I learn many things about God and also because the food is delicious and I can meet with my friends. I would like it if you could write me a letter telling me about your life, your work and the place where you live. I hope to be in touch with you and to get

to know you better. I hope to hear from you soon. God bless you! I say bye for now with lots of kisses and hugs.

Kisses and hugs, Your Sponsored child Antony Daniel Salazar Hernandez
